CLEAN NOW TO ELIMINATE ODORS IN SPRING

Winter storage is hard on boats, RVs and tents. The following spring, the musty odor of mildew and mold is often overwhelming. Old-timers refer to "airing-out," but that just dilutes the problem. Savvy owners use Iosso Odor Buster. Used now, it eliminates these annoying smells at the source and provides a pleasant surprise come next year.

Fast-acting Odor Buster isn't a masking fragrance; it actually has no scent at all. Environmentally friendly, its biodegradable formula removes odors naturally. It's ideal for use around children, pets and people sensitive to fragrances and harsh chemicals.

Easy to use, Odor Buster is applied directly to fabric, carpeting, clothing and cushions. While it's best to test a small, inconspicuous area, the product is non-staining. To freshen open areas, it can be sprayed into the air while backing out of the space. Pets, cooking, wet towels and smoking often introduce odors; highly effective, it's perfect for touch-ups, providing renewed freshness. Iosso Products' Odor Buster is \$3.75 for 4 oz., \$19.95 for a 32 oz. spray bottle and \$64.99 for one gallon.
