AQUA-HOT BRINGS ON MARTIN FLORY GROUP TO HANDLE PR

Aqua-Hot of Frederick, Colorado has signed on with the public relations firm of Martin Flory Group. The veteran PR company will support Aqua-Hot's product promotion within North America.

Since 1984, Aqua-Hot has been an innovative leader in hydronic heating for RVs, trucks, buses, UTVs, heavy equipment cabs and alternative fuel vehicles. It provides solutions for diesel, propane and natural gas powered applications. The company's products provide moist, even heat and continuous on-demand hot water.

"Aqua-Hot was the first to engineer and build hydronic heating for RVs," said Martin Flory Group president Laura Martin. "It's a company that's been on the cutting-edge of this technology for a long time and we're excited to be working with them."

Martin Flory Group has represented a diverse global client base since 1962. It is well-versed in the marine, general outdoor and RV industries. It works with editors and writers worldwide to gain coverage to sell products and grow businesses.
