## FIXTECH HIRES MARTIN FLORY GROUP FOR PR

FixTech has hired Martin Flory Group to assist in expanding its North American market share. The public relations firm will promote the company's news and extensive line of adhesives, sealants and epoxies in the recreational and commercial marine, and RV industries.

For over 18 years, FixTech has formulated and manufactured innovative products used by boat, ship and RV builders worldwide. It's the most widely used and recognized line of bonding and sealing applications in Australia, SE Asia, Taiwan and China. Its website is [www.fixtechus.com](http://www.fixtechus.com).

"We're pleased to be working with FixTech," said Martin Flory Group general manager Kelly Flory. "Their products are used by some of the most notable names in the international marine and RV sectors, and we're looking forward to growing their brand awareness in North America."

Founded in 1962, Martin Flory Group represents a diverse global client base. The PR firm is highly experienced in the marine, RV and outdoor industries. It works with writers and editors worldwide to gain credible media coverage to help sell products and grow businesses.
