

## INFINITY BY HARMAN SOUNDBAR DELIVERS SUPERIOR SOUND

Musical tastes may vary, but everyone appreciates pure, accurate sound, no matter the desired volume. That's why the Infinity by Harman® Kappa 4100MSB Amplified Marine Soundbar from Prospec Electronics is so perfect for an active lifestyle. It's completely weatherproof to IPX-6 standards, withstands 10Gs of shock and delivers a walloping 100db with audiophile-level reproduction.

The 4100MSB is designed for the outdoors. It features Bluetooth audio streaming, 3.5mm and RCA inputs, and comes with a detachable RF wireless remote. Intelligent priority switching eliminates manual source selection. An overhead map light, blue LED display that pulses to the tempo and GoPro™ shoe add to its versatility.

The soundbar has four 4" excursion woofers and two 2" edge-driven dome tweeters. An integrated 120W x 2 class-D amplifier delivers the power.

The 4100MSB comes with a quick-release mounting system and can be installed as a single bar or two pods, using the optional Separation Kit. It has RCA outputs for easy connection, and fits any tower, roll cage or bimini bar. It measures 31.5" L x 6.1" W x 5" H, and weighs 22.7 lbs.

The Infinity Kappa 4100MSB Amplified Marine Soundbar costs \$900.
