UNIQUE BUCKET IS THE BEST

Small details can make a world of difference. Shurhold Industries offers the World's Best Bucket, which comes with a 3/4" double-braided nylon handle, for a soft, comfortable grip.

This essential item in every professional or amateur detailer's kit is proudly made in the USA. The multi-purpose utility item is ideal for more than just washing the boat. It can serve as a trash can, bait bucket, an ice bucket for drinks, as well as storage and tool transportation. Users can even flip it over and make it a work seat or a foot rest after a long day.

The World's Best Bucket is available in black or white. It is priced at \$17.98 for the 3.5 gallon size and \$18.98 for the 5 gallon.

Shurhold also offers the Bucket Base. This sturdy, non-skid/non-marking ring is designed to minimize pails from sliding and toppling, helping prevent any resulting damage.

Dedicated to educating boat owners, Shurhold provides key tips for boat value preservation at www.shurhold.com. Inventor of the One Handle Does It All system, Shurhold manufactures specialty care items and accessories to clean, polish and detail.
