CLEANING SYSTEM SAVES MONEY, SPACE AND VALUABLE TIME

Even the most spacious boat has only so much storage. Savvy owners who know the value of consolidating choose Shurhold Industries' innovative One-Handle-Does-It-All System. Made in the USA, the family of products features over 40 different quality attachments that easily lock onto a single handle. Instead of buying, stowing and switching between numerous cleaning tools, the system saves money, space and valuable time.

The heart of the system is the robust Shurhold handle. Available in fixed lengths from 33cm–152cm, telescoping 183cm and 274cm sizes, and the custom Fishing Series, they're made using triple-anodized, high-strength aluminum. The SHUR-LOK quick release locks attachment heads securely in place and detaches easily with the press of a button.

If there's something to be cleaned on a boat, there's a Shurhold System attachment for it. Durable deck and soft-bristled brushes, brooms, mops, squeegees and scrubbers are built to handle the toughest jobs—but with protected, non-scratching edges—and provide seasons of reliable use. A Threaded Adapter allows it to be used with paint rollers and such.

Truly a One-Handle-Does-It-All System, Boat Hook and Paddle attachments are available. For fishermen, there are Landing, Crab, and Shrimp and Shad Nets, a Tagger and Gaff Hook. The 25cm Curved Adapter

makes cleaning the waterline effortless. There's even a GoPro/VIRB Camera Adapter to capture the action.

Shurhold Industries offers handles and attachments individually, as well as in sets. The Basic Boater Kit contains everything needed to keep a boat clean. It comes with a 183cm Telescoping Handle, Soft Deck Brush, 3-in-1 Boat Hook, 3-pack of Microfiber Towels, Flexible Water Blade with Adapter, 948ml bottle of Brite Wash and a 396gm can of Serious Shine.

Dedicated to educating boat owners, Shurhold provides key tips for boat value preservation at www.shurhold.com. Inventor of the One Handle Does It All system, Shurhold manufactures specialty care items and accessories to clean, polish and detail.
