SCHMITT & ONGARO NOW A DISTRIBUTOR FOR MARINE SEATING

Schmitt & Ongaro Marine Products is now distributing select G. G. Schmitt & Sons products in Europe. Schmitt & Ongaro president Tim Schmitt made the announcement about the relationship, which debuts at METSTRADe in Amsterdam, November 15–17.

The agreement includes G. G. Schmitt marine seating, available in a wide variety of standard configurations for center console boats and other designs. Leaning posts, and folding bulkhead and stern seats, feature stainless steel or anodized aluminum frames. The products will be on display in the Schmitt & Ongaro booth #2.216.

"We're pleased to be able to offer European customers a broader array of products. Our two companies have a longstanding relationship, and it makes sense to help G. G. Schmitt grow its export sales this way," said Schmitt. The company's website is www.ggschmitt.com.

Schmitt & Ongaro Marine manufactures a wide range of innovative and superior quality marine steering wheels, horns, wiper systems, control arms and knobs, and accessories. The company offers some of the strongest product warranties in the industry and exceptional customer service.
